Instructions:

1. Cut a piece of green colored paper into half lengthwise. Glue the them together to form a long piece.
2. Fold it into half and then again into three equally. It will make 6 parts. Fold it into an accordion.
3. Print out this worksheet. Stack both pieces together so that you can cut out the head part together.
4. Let children color the worksheet, trace the words and cut them out to paste into the accordion booklet.
5. Paste the head part together at the top of the booklet.
